Update #18
4/3/20
4:00pm

Good Afternoon,

This letter includes information about meal delivery and pickup for next week and changes that will take effect on Monday, April 13, 2020.

Pickup and delivery will continue next week (Monday, April 6 - Thursday, April 9). Friday's meals will be delivered and available for pickup from 9:30am-12:30pm on Thursday, as Friday is a holiday. Meals may either be picked up at the Roberts Street Cafeteria, or they are being distributed along the established bus routes within the district. If you have questions about how to receive meals, please contact our Transportation Office to make arrangements.

We would like to announce changes to our meal delivery and pickup program, **effective Monday, April 13th**:
- The District will provide meals that will cover every day of the week, **including weekends.**
- In an effort to safely and efficiently continue our meal distribution service, we will be adjusting pickup and delivery to 3 days per week: Mondays, Wednesdays and Fridays:
    - Monday's deliveries will include meals for both Monday and Tuesday
    - Wednesday's deliveries will include meals for both Wednesday and Thursday
    - Friday's deliveries will include meals for Friday, Saturday and Sunday.

In effort to maintain recommended social distances, we are asking families who receive meal deliveries to place a basket or bin at the end of the driveway. Our staff will place meals into the basket or bin in order to minimize contact. Families are still welcome to wait at designated bus stops to receive meals, but are asked to respect established social distancing guidelines.

We hope that this expansion to our food service program will be of assistance to our families during this challenging time.

Sincerely,
Shawn D. Bissetta
Superintendent of Schools
