Update #19

4/7/20

4:00pm

April 7, 2020

Good Afternoon,

As you are well aware, we have been recently inundated with new information regarding modifications in timelines and academic requirements impacting schools across the state. In our continuing attempt to keep you informed of significant events impacting our students, we would like to inform you of two notable issues recently clarified by the Governor and the State Education Department:

- Governor Cuomo has declared that all schools in the state are now closed until at least April 29th. He has stated on multiple occasions that he will be assessing in two week increments, so we will likely not have information on additional closure beyond this new date until the week of April 20th.
- The Board of Regents has announced that all June Regents exams have been cancelled for this year. No decision has been made on the status of the August Regents exams. Please see the link below to read a Question and Answer document that provides information on a wide range of Regents exam and course credit related issues. Please contact the guidance office if you have additional questions regarding this issue.

Once again, we'd like to thank you for your continued support and patience as we navigate through the numerous challenges confronting schools and families. Please do hesitate to contact us with any questions.

Sincerely,
Shawn D. Bissetta
Superintendent of Schools
