Update #9
March 19, 2020
2:30pm

Good Afternoon,
This letter includes updates about today's meal delivery and future building access.

Food Service:

Our school buses delivered and students picked up a total of 669 breakfast and lunch meals to students in our community today, representing 57% of our school population. We are so pleased that our families are taking advantage of this opportunity and hope that more will do so tomorrow. Please encourage families to call our Transportation Department (315-697-8804) if they did not receive meals today. Special thanks to our Transportation and Food Service Departments as well other members of our Raider family for their collaboration, hard work and dedication to this important program.

We will continue to provide meals to our students tomorrow and each day school would normally be in session. Each delivery will include a breakfast and a lunch. The following is the reminder information about meal pickup and delivery:

- **Walkers:** Food will be available to walkers by the doors on the west side of the building across from the bus garage between Cafeterias A and B from 9:30am - 12:30pm. Stop by the door to pick up food. You will not need to enter the building.
- **Busers:** For those who ride a bus, buses will continue to deliver breakfast/lunch tomorrow and then will resume on Monday. Buses will deliver meals to regular bus stops between 9:00am - 10:30am. Please wait for the bus at your child's normal bus stop; food cannot be delivered to the door. Deliveries will begin at the times listed below (times are approximate):
 - 9:00am: In-Town deliveries begin
 - 9:15am: Route 5
 - 9:30am: Oxbow Area
 - 9:30am: Lakeside/Route 31
 - 9:30am: Wampsville

Building Access:

Each building is now closed to students and community members. Although the offices will be operational, we ask that you not come to the building. Rather, call and leave a message about what you need and be sure to leave your contact information.

Instructional Staff: Each building is now closed for deep cleaning procedures. You will no longer be able to get into your classrooms until further notice. Contact your respective office or building administrator for needs and questions. Additional staff communication will be shared tomorrow.

Thank You,
Shawn D. Bissetta
Superintendent of Schools
