ARP-ESSER Application: Part 2 - ARP ActIntroduction/Instructions - Summary & Background

Page Last Modified: 08/23/2021

SUMMARY & BACKGROUND

On March 11, 2021, the President signed into law the American Rescue Plan Act of 2021 (ARP). ARP makes available \$122.8 billion nationally in a third round of Elementary and Secondary School Emergency Relief (ESSER) funds. New York State has been allocated nearly \$9 billion under the ARP Act's Elementary and Secondary School Emergency Relief (ESSER) Fund. The ARP Act requires that a minimum of \$8.09 billion (90 percent) be allocated to LEAs, including charter schools and Special Act School Districts that are LEAs. Pursuant to the terms of the ARP Act, LEA allocations have been calculated using the relative shares of grants awarded under Title I, Part A of the ESEA for the most recent federal fiscal year (2020). Each eligible LEA's ARP-ESSER allocation may be found [HERE](#).

Under section 2001(d)(2) of ARP Act of 2021, each State Educational Agency (SEA) must make ARP-ESSER allocations to LEAs in an expedited and timely manner and, to the extent practicable, not later than 60 days after the SEA receives its ARP-ESSER funds. The first portion of ARP-ESSER Funds was awarded to states on March 24, 2021, and 60 days from that day is May 24, 2021. The U.S. Department of Education (USDE) has taken the position that an SEA makes allocations when it authorizes the LEA to begin to obligate funds in accordance with its needs. To enable New York State's LEAs to begin to obligate ARP-ESSER funds by USDE's May 24, 2021 deadline, the application for LEA 90% base ARP-ESSER allocations is being administered by NYSED as a two-part application process:

- ARP-ESSER Application – Part 1: The first step was for each LEA to submit signed assurances to NYSED by May 24, 2021. Upon receipt of signed LEA assurances, NYSED provided an email notice to the LEA of substantially approvable application status. Upon receipt of such notice, LEAs were able to begin obligating their allocation of 90% base ARP-ESSER funds.
- ARP-ESSER Application – Part 2: The second step will be the submission of a full application and budget by the LEA. NYSED will issue a Grant Award Notice (GAN) to the LEA after the LEA's application is fully reviewed and approved by NYSED. Part 2 will address several of the plan-related assurances an LEA must provide in Part 1 of the application process.

The ARP Act requires LEAs to reserve at least 20% of their 90% ARP-ESSER allocation to address learning loss through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year programs, and ensure that such interventions respond to students' academic, social, and emotional needs and address the disproportionate impact of the coronavirus on economically disadvantaged students, children with disabilities, English learners, racial and ethnic minorities, migrant students, students experiencing homelessness, and children and youth in foster care. For your information, the minimum 20% reservation for each LEA may be found [HERE](#).

Project Period

March 13, 2020 to September 30, 2024 to obligate funds. Funds must be fully liquidated by October 31, 2024.

Project Number

The project number stem for the program is:

ESSER: 5880 - 21 - XXXX

This number should be used on the appropriate FS-10 budget form.

Submission Deadline

Completed applications are due by **August 31, 2021** (with extensions by request), and will be reviewed on a rolling basis.

ARP-ESSER Application: Part 2 - ARP ActIntroduction/Instructions - Summary & Background

Page Last Modified: 08/23/2021

Please note that applications must be submitted and fully approved by no later than March 23, 2022. LEAs that have not been issued a Grant Award Notice by that time will be at risk of having their ARP-ESSER allocation returned to the United States Department of Education.

APPLICATION PROCESS FOR LEA ALLOCATIONS OF ARP-ESSER SEA RESERVE FUNDS

The federal ARP statute requires SEAs to reserve:

- not less than 5 percent of the total amount of grant funds awarded to the State (\$449.4 million) to carry out activities to address the impact of lost instructional time by supporting the implementation of evidence-based interventions;
- not less than 1 percent (\$89.9 million) to carry out the implementation of evidence-based summer enrichment programs; and
- not less than 1 percent (\$89.9 million) to carry out the implementation of evidence-based comprehensive afterschool programs.

The 2021-22 enacted state budget directs that these required SEA set-asides be allocated as grants to specified school districts. Each eligible district's allocation of SEA reserve funds may be found [HERE](#). NYSED will inform school districts under separate cover when the application process for school district allocations of ARP-ESSER SEA set-aside funds has been published in the [SED Monitoring and Vendor Reporting System](#). This application is only for LEA 90% base ARP-ESSER allocations. LEAs should not apply for ARP ESSER SEA Reserve funds as part of this application.

ARP-ESSER Application: Part 2 - ARP Act

Introduction/Instructions - Submission Instructions

Page Last Modified: 08/23/2021

Submission Instructions

CANASTOTA CSD

250901060000

Directions for Submitting the Application:

- The online application may only be submitted/certified by the chief school officer of the applicant LEA. The designated superintendent (public school LEAs), and the chief executive officer, board of trustees president, or school employee designated by the board of trustees (charter school LEAs) are the only administrators with the submit/certify rights necessary to successfully submit and certify a completed application for NYSED review.

- LEAs ARE NOT REQUIRED to send hard copies of general application materials to the Department.

- LEAs ARE REQUIRED to send signed originals and two hard copies of each FS-10 Budget Form to:

Office of ESSA-Funded Programs - Rm 320 EB

RE: ARP-ESSER Application – Part 2

New York State Education Department

89 Washington Avenue

Albany, NY 12234.

Deadline for Submitting the Applications:

- The ARP-ESSER Application – Part 2 is due by August 31, 2021.

ARP-ESSER LEA Base 90% Allocation - Plan Development and Dissemination

CANASTOTA CSD

250901060000

Title VIII of Division B of the CARES Act directs the Department to carry out the Education Stabilization Fund, of which the ARP ESSER funds are a part. Section 2001 of the ARP Act provides for the Department to make grants to each SEA from the ARP ESSER funds. An SEA must allocate at least 90 percent of its ARP ESSER grant funds to its LEAs (including charter schools that are LEAs) in the State in the same proportion that the LEAs received under part A of title I of the ESEA in Fiscal Year 2020, as required by section 2001(d)(1) of the ARP Act; and section 2001(e) of the ARP Act prescribes certain mandatory and permissive uses of LEAs' funds. Under 20 U.S.C. 1221e-3, the Secretary has the authority to promulgate rules governing the programs administered by the Department. Under this requirement, each LEA that receives ARP ESSER funds must develop, submit to the SEA on a reasonable timeline determined by the SEA, and make publicly available on the LEA's website, a plan for the LEA's use of ARP ESSER funds. The plan - known as the LEA ARP ESSER Plan - and any revisions to the plan submitted consistent with procedures established by the SEA, must include a description of key activities which are required below.

NYSED will consider each LEA's application for its base 90% ARP-ESSER allocation as meeting the USDE LEA ARP-ESSER use of funds plan requirement, provided the required elements of the plan are fully addressed in the LEA's application, combined with a budget, and then publicly posted after being developed with public input.

An LEA must engage in meaningful consultation with stakeholders and give the public an opportunity to provide input in the development of its plan. Specifically, an LEA must engage in meaningful consultation with students; families; school and district administrators (including special education administrators); and teachers, principals, school leaders, other educators, school staff, and their unions. Additionally, an LEA must engage in meaningful consultation with each of the following, to the extent present in or served by the LEA: Tribes; civil rights organizations (including disability rights organizations); and stakeholders representing the interests of children with disabilities, English learners, children experiencing homelessness, children in foster care, migratory students, children who are incarcerated, and other underserved students.

Each LEA's ARP ESSER plan must be in an understandable and uniform format and, to the extent practicable, written in a language that parents can understand (or, if not practicable, orally translated). Upon request by a parent with a disability, LEA plans must be provided in an alternative format accessible to the parent.

ARP-ESSER Application: Part 2 - ARP Act

LEA ARP-ESSER Plan - ARP-ESSER Plan Development & Program Information

Page Last Modified: 01/10/2022

1. **In the space provided below, please describe how the LEA meaningfully engaged a diverse and representative set of the applicable stakeholders in developing a plan to use these funds and implementing that plan.**

Plan Development & Dissemination

The Canastota Central School District included all constituents when developing the ARP ESSER Plan by engaging all through the use of social media tool Facebook, School Messenger and our website. Due to COVID-19 we engaged our community through the use of BOE meetings, and building based meetings as well as district-wide meeting using Google Meet. We surveyed our constituents and used the data collected to share back with a crafting team. Further, all staff in the district who service students with disabilities, English Learners, and students experiencing homelessness, migrant, foster care and incarcerated youth were given the opportunity to engage in conversation for ARP Funds to support programs to address the unique needs of these students. In addition each building principal at the building level discussed with their constituents to gather ideas based on needs specific to the building data for students served. Climate surveys were completed by community, faculty and staff administered by Canastota Central School District to provide us with data to further support our decision making.

The following district-wide committee meetings took place on the following dates:

4/12

5/10

5/18

5/20

6/8

6/15

6/16

6/22

We also utilized and aligned and prioritized goals based on data from DCIP, SCEP, CSI plans in the district.

The plan is fluid with the flexibility to change over time depending on the needs of the students. The District will continue to evaluate the needs and assess them on an ongoing basis with the stakeholders/community. All stakeholders/community will have an opportunity continue to discuss what programs are working and which ones that need any possible changes.

2. **In the space provided below, please provide the URL for the website(s) where the LEA ARP-ESSER Plan is/will be publicly posted. For an LEA that does not have a website, the LEA may identify an online platform (e.g. social media group or post, file sharing service, email listserv) that allows plans to be directly communicated to students, parents or legal guardians, school staff, and other stakeholders. As appropriate, the LEA should provide details about how the plan will be made available to people who request it.**

https://www.canastotacsd.org/our_district/business_office/c_c_s_d_s_a_r_p_e_s_s_e_r_plan

This plan was presented at a public board meeting and also in a public session with the community. This can be able to be printed upon request from our District Office.

ARP-ESSER LEA Base 90% Allocation - Program Information

ARP-ESSER Application: Part 2 - ARP ActLEA ARP-ESSER Plan - ARP-ESSER Plan Development & Program Information

Page Last Modified: 01/10/2022

3. **In the space provided below, please describe the extent to which and how the funds will be used to implement prevention and mitigation strategies that are, to the greatest extent practicable, consistent with the most recent CDC guidance on reopening schools, in order to continuously and safely open and operate schools for in-person learning.**

The funds will be used to provide additional instruction. In the event that we need to use the funds for implementing prevention and mitigation strategies, the District will adjust the grant to reflect those changes and submit an FS-10A.

The district has put additional protocols in place inclusive of purchasing cleaning products, training, and cleaning routines in accordance with the CDC guidance. This can be maintained through our general fund monies.

The district will be supporting additional staff in order to address the mental health of our students at all grade levels. So many children have been emotionally impacted by the pandemic.

4. **In the space provided below, please describe the data that the LEA will use to identify student needs and monitor student progress as a result of planned interventions and supports.**

The LEA will use the following data to identify student needs and monitor student progress as a result of planned interventions and supports

Please note, student data will be further linked to our DCIP, SCEP and CSI Plans which have been submitted to NYS as well.

Canastota Central School District Goal:

Engage students in a high-quality comprehensive education that prepares them with a foundation of knowledge and skills for life, college, and career.

We selected this goal as our first priority because students pre K-12 are not currently meeting grade level benchmarks due to COVID-19.

Growth will be evidenced through teacher observations, standardized quarterly assessments, universal screenings, and state and local assessments.

Educating students and preparing them to be college and career ready is our central mission as well as upholding the Commissioners Regulations.

In order to determine student need and monitor student progress, the district will collect evidence through teacher observations, quarterly assessments and universal screenings as well as state and local assessments. These screenings include AimsWeb Plus, Renaissance Star Reading, Renaissance Star math, and local diagnostic tools such as P.A.S.T (Phonological Awareness Screening Test), and QPS (Quick Phonics Screener).

Using the above mentioned screeners, students with specific needs will be identified and appropriate interventions will be recommended and implemented. These interventions include Road to the Code, Road to Reading, Rewards intermediate and Secondary Reading Intervention and Reflex by Explore Learning.

The interventions will be supported by Academic Intervention Service providers who will deliver direct explicit instruction. The instructional specialists will provide professional development for the interventions and also support and implement research based strategies, perform routine walkthroughs and provide feedback based on observations.

ARP-ESSER Application: Part 2 - ARP ActLEA ARP-ESSER Plan - ARP-ESSER Plan Development & Program Information

Page Last Modified: 01/10/2022

5. **In the space provided below, please describe how the LEA will use the funds it reserves under section 2001(e)(1) - the required reserve of 20% of funds - to address the academic impact of lost instructional time through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year.**

LEA will use the funds it reserves under section 2001(e)(1) - the required reserve of 20% of funds - to address the academic impact of lost instructional time through the implementation of evidence-based interventions, such as additional learning or enrichment, extended day, or extended school year.

*The Canastota Central School District will be using funds specifically for the following interventions related to learning loss:

Hire additional teachers to help with learning loss :#15

One Elementary Teacher and Three Special Ed Teachers will be hired to address the needs for learning loss while receiving their current education in their curriculums

Hire additional support staff to help with learning loss::#15

One Guidance Counselor, One Social Worker, One Psychologist and One Physical Therapist will be hired to help support instruction with the goal of addressing closing learning gaps, developing students relationships, leadership skills, and strengthening social emotional learning.

Extended day programming:#15/#16

Extended day programming will allow for students to learn beyond the school day and provide support in ELA/Math as well as in health, fitness, and wellness strategies.

Media Center upgrades and programming to be provided focused on SEL and building student individual strength

Alternative Education with wrap around CTE/Workbased learning

Two Suburbans will be purchased in order to assist in transporting students for extended day and transporting of homeless students

6. **In the space provided below, please describe how the LEA will spend its remaining ARP ESSER funds consistent with section 2001(e)(2) - the allowable uses of funds - of the ARP Act.**

LEA will spend its remaining ARP ESSER funds consistent with section 2001(e)(2) - the allowable uses of funds - of the ARP Act.

#14: Providing Mental Health Services and supports with the addition of a guidance counselor, social worker, speech therapist, physical therapist and psychologist

#15:

#16: Additional Special Education Staff and maintain staff that may have been decreased through attrition.

#20: Purchase 2 suburbans in order to deliver food, transports students due to increased programs and social distancing and to provide continuity of learning by having extra vehicles. Transport students back and forth to BOCES any time of the day.

ARP-ESSER Application: Part 2 - ARP ActLEA ARP-ESSER Plan - ARP-ESSER Plan Development & Program Information

Page Last Modified: 01/10/2022

7. **In the space provided below, please describe how the LEA will ensure that the interventions it implements, including but not limited to the interventions implemented under section 2001(e)(1) - the required reserve of 20% of funds - to address the academic impact of lost instructional time, will respond to the academic, social, emotional, and mental health needs of all students, and particularly those students disproportionately impacted by the COVID-19 pandemic, including students from low-income families, students of color, English learners, children with disabilities, students experiencing homelessness, children in foster care, and migratory students.**

LEA will ensure that the interventions it implements, including but not limited to the interventions implemented under section 2001(e)(1) - the required reserve of 20% of funds - to address the academic impact of lost instructional time, will respond to the academic, social, emotional, and mental health needs of all students, and particularly those students disproportionately impacted by the COVID-19 pandemic, including students from low-income families, students of color, English learners, children with disabilities, students experiencing homelessness, children in foster care, and migratory students.

The Positivity Project is an opportunity for students to have a voice and represent the diversity of students serviced.

The Additional staff for all of the buildings will provide a proactive approach to minimize the need to provide special education services to students who have a learning gap not a learning disability.

The process/plan will be evaluated every 6 weeks within each building level to measure the effectiveness of the interventions. We will continue to have surveys and public sessions to go over the results and adjust if necessary. We know that things may need to be adjusted and reworked but we need to see how the additional staff can help change the course of the grading for our students who have endured such learning loss. That is why we went very heavy with staffing in academic and SEL needs of the students. We will use data to monitor progress and evaluate benchmark data. SEL inventories will also be utilized with survey data to gain more insight into where students are at in respect to SEL needs.

ARP-ESSER Application: Part 2 - ARP ActLEA ARP-ESSER Plan - ARP-ESSER Return to In-Person Instruction

Page Last Modified: 12/06/2021

ARP-ESSER Return to In-Person Instruction

CANASTOTA CSD

250901060000

Section 2001(i)(1) of the ARP Act requires each LEA that receives ARP ESSER funds to develop and make publicly available on the LEA's website, not later than 30 days after receiving ARP ESSER funds, a plan for the safe return to in-person instruction and continuity of services for all schools, including those that have already returned to in-person instruction. Section 2001(i)(2) of the ARP Act further requires that the LEA seek public comment on the plan and take those comments into account in the development of the plan. Finally, section 2001(i)(3) of the ARP Act states that an LEA that developed a plan for the safe return to in-person instruction and continuity of services prior to the date of enactment of the ARP Act will be deemed to have met the requirement to develop a plan under section 2001(i)(1) as long as the plan meets the statutory requirements (i.e., is publicly available on the LEA's website and was developed after the LEA sought and took into account public comment).

The LEA's plan must include how it will maintain the health and safety of students, educators, and other school and LEA staff and a description of any policies it has adopted regarding each of the CDC's safety recommendations, including universal and correct wearing of masks; modifying facilities to allow for physical distancing (e.g., use of cohorts/podding); handwashing and respiratory etiquette; cleaning and maintaining healthy facilities, including improving ventilation; contact tracing in combination with isolation and quarantine in collaboration with the State, local, territorial, or the health departments of Native American Nations; diagnostic and screening testing; efforts to provide vaccinations to school communities; appropriate accommodations for children with disabilities with respect to health and safety policies; and coordination with State and local health officials.

The plan must describe how the LEA will ensure continuity of services, including but not limited to services to address students' academic needs and the social, emotional, mental health and other needs of students and staff, which may include student health and food services.

LEA plans must be in an understandable and uniform format and, to the extent practicable, written in a language that parents can understand (or, if not practicable, orally translated). Upon request by a parent with a disability, LEA plans must be provided in an alternative format accessible to the parent.

NYSED will permit previously developed LEA re-opening plans to satisfy the ARP statutory requirement for the safe return to in-person instruction and continuity of services. LEAs must make any necessary updates to existing plans to conform with the USDE requirements within 30 days of receipt of ARP-ESSER funds and to review (and revise if appropriate) plans every six months thereafter (until September 30, 2023).

ARP-ESSER Application: Part 2 - ARP Act

LEA ARP-ESSER Plan - ARP-ESSER Return to In-Person Instruction

Page Last Modified: 12/06/2021

1. **In the space provided below, please provide the URL for the website(s) where the district's most current re-opening/return to in-person learning plan is/will be located. For an LEA that does not have a website, the LEA may identify an online platform (e.g. social media group or post, file sharing service, email listserv) that allows plans to be directly communicated to students, parents or legal guardians, school staff, and other stakeholders. As appropriate, the LEA should provide details about how the plan will be made available to people who request it.**

https://docs.google.com/document/d/1tpMjU16c0L1AS9YIJDkN7-7Etz4_hdkSVnXaLNah2yA/edit

This plan is posted on our website as a link.

The plan will be available to print upon request by our District Office if they are unable to print it on their own. Several messages have been sent by the school via email and school messenger about our reopening plan.

2. **An LEA must periodically, but no less frequently than every six months (through September 30, 2023), review and, as appropriate, revise its plan. Consistent with section 2001(i)(2) of the ARP Act, which requires an LEA to seek public comment on the development of its plan, an LEA must seek public input and take such input into account in determining whether to revise its plan and, if it determines revisions are necessary, on the revisions it makes to its plan, i.e., the LEA must seek public input on whether to revise its plan and on any revisions to its plan no less frequently than every six months (taking into consideration the timing of significant changes to CDC guidance on reopening schools). If the LEA revises its plan, the revised plan must address each of the aspects of safety currently recommended by the CDC or, if the CDC has updated its safety recommendations at the time the LEA is revising its plan, each of the updated safety recommendations.**

In the space provided below, please describe how the LEA will review and regularly update (at least every six months through September 30, 2023) it's plan for in-person instruction, including a description of how public comment will be collected.

The district currently has a reopening committee that has been active through the 20-21 school year. Meetings were public and included parent, staff, administration and community members. All meetings were recorded and survey results guided the plan for in-person instruction and changes to the plan. Thought Exchange was further used to assist the committee in understanding the needs of the families and students.

DOH updates were provided during the meeting by the Chief School Administrator who met every Thursday with DOH and all School Chiefs in Madison County. This information further assisted in the development of the revised plans.

The Reopening Committee will be reinstated for the 21-22 school year as the district plans forward. Meetings will begin in August and continue through September 30, 2023.

The District will hold public sessions through BOE meetings and other virtual meetings throughout the course of the funding.

ARP-ESSER Application: Part 2 - ARP Act

LEA ARP-ESSER Plan - ARP-ESSER Allocation - Budget

Page Last Modified: 01/10/2022

ARP-ESSER LEA Base 90% Allocation - Budget

PLEASE NOTE - the FS-10 and Budget Narrative are used to provide NYSED with a specific itemization of proposed project expenditures and to provide NYSED and the Office of the State Comptroller with the necessary documentation upon which payments can be based. FS-10s with missing quantities or unit costs, or with terms such "*TBD*" or "*Varies*" cannot be accepted on the FS-10 or Budget Narrative forms.

Please note: LEAs that have been allocated funds from the mandated SEA-Level Reserves in the 2021-22 enacted state budget will apply for those funds via a separate application process. NYSED will inform school districts under separate cover when the application process for school district allocations of ARP-ESSER SEA set-aside funds has been published in the SED Monitoring and Vendor Reporting System. The sections below are only for LEA 90% base ARP-ESSER allocations. LEAs should not apply for ARP ESSER SEA Reserve funds as part of this application.

- Please upload a completed and signed copy of the *FS-10 Budget* for the ARP-ESSER LEA Base 90% Funds.**

Revised ARPA 90 ESSER.pdf

- Please upload a completed copy of the *Budget Narrative* for the ARP-ESSER LEA Base 90% Funds.**

Budget_Narrative ESSER ARPA - 90 Revised.docx

- Please complete the following table by providing total proposed expenditures by budget code for funding in relation to the ARP-ESSER Application – Part 2. This information should match the Budget Summary page of the FS-10 budget form.

	Total Funds (\$)
15 - Professional Salaries	2,033,781
