A MESSAGE FROM PRINCIPAL SCHULTZ...

Dear Parents and Guardians,

Each month, our 7th and 8th grade teachers nominate students they would like recognized for their outstanding example. I am very pleased to recognize our Students of the Month for September.

Congratulations to 7th graders Ron Ribera, Mason Brumber, and Colton Smith, and 8th graders Madison Bennett, Addison Anderson, and Brelynn Halsey. These students are wonderful examples for our school. Well done!

Last Thursday's Club Fair was a great success. Each club was represented by members of that particular club, and every 7-12 student was given the opportunity to stop by and learn more about our clubs and sign up for one. It was a very positive event!

Last Friday, during our Superintendent's Conference Day, our teachers and administrators had the opportunity to come together to review scoring data, create their own goals, as well as building goals, based on student scores and assessments in ELA and math. We reviewed Regents scores with item analysis, 7-8 state testing results, and NWEA scores. This combined look at data helped us have a very productive and fruitful day. I am grateful for the outstanding participation and input of our teachers.

Homecoming week ended with a very successful dance. I would like to especially thank our senior advisors, Mrs. Stagnitti, Mrs. Kurak, and Mr. Smith, for an outstanding week.

Sincerely,

Peter F. Schultz
