A MESSAGE FROM PRINCIPAL SCHULTZ...

Dear Parents and Guardians,

On Friday, October 13th, the Junior class visited the National Abolition Hall of Fame and Museum in Peterboro. It was an outstanding field trip that provided students with a thorough insight into the abolition movement that has its roots in Peterboro. There were multiple presentations filled with facts about this anti-slavery movement. It is amazing there were so many national heroes of this movement that came to Peterboro. It was great to have something so powerful for our students so close to our school! I thank the volunteers at the museum and I congratulate our juniors on their excellent behavior. Also, a special thank you to Ms. New for making this field trip happen.

Our students in Mrs. Zupan's health classes have been fortunate to have representatives from the Madison County Rural Health Council teach them a Mental Health First Aid course for the past six weeks. Students diligently worked in class learning about mental health and received completion certificates for their efforts. I thank the Madison Country Rural Health Council for providing their expertise on such an important topic. I also thank Mrs. Zupan for her help in making this happen in her health classes.

I would like to congratulate Sophomore Ty Hawkins for coming in 18th at the Center State Conference League Championship race last Saturday at Mount Markham High School with a time of 17:39 which qualified him to be named an all-star in the league. Well done!

As the 2023 Fall sports season comes to a close, I would like to congratulate all of our athletes and coaches. Our students did an outstanding job representing our school and I thank them for their example.

Sincerely,
Peter F. Schultz

UPCOMING EVENTS
