A MESSAGE FROM PRINCIPAL SCHULTZ...

Dear Parents and Guardians,

Last Monday, I introduced a new award to students called the Jump Shot Award, which recognizes students who increase their average from one marking period to the next marking period by at least 5 points. More than 160 students received this award, and I was very happy to give them their certificate on Monday. Congratulations to these students!

On Tuesday, we had a luncheon for our students who achieved the High Honor Roll for the first marking period. Well done! More than 100 students were able to attend over three lunch periods, and it was a wonderful opportunity for me to recognize these students for this great accomplishment.

Yesterday, I sent out a message about our Open Gym on Wednesday (12/27/23) for students in grades 7-12. This is a great opportunity for students to come to school and play in the gym or play board games in the library Media Center. We will have snacks as well. Sincerely,
Peter F. Schultz
