A MESSAGE FROM PRINCIPAL SCHULTZ...

Dear Parents and Guardians,

Last evening's Band and Chorus Candlelight Concert was outstanding! Our junior high and senior high students performed very well. It is so impressive to see how hard our students worked to perform so well. This concert was very well attended, and the audience appreciated their performance. I especially would like to thank Mr. Button and Mr. Buneo for their dedication to our students and for making this concert come together. Their preparation and work with the students truly showed in last night's concert.

Winter sports are now in full swing, and it has been great to see our student-athletes playing with such dedication and representing our school so well. We have such a wide range of sports and it is good to see so many of our students participate. I encourage you to come out and support our student-athletes. The sports schedule is located on our website at:

<https://www.schedulegalaxy.com/schools/18>.

On November 30th, we had our unveiling of the eSports after-school program, and there was a tremendous amount of excitement for the program. At our next PAC (Parent Advisory Council) meeting on Thursday, December 14th, at 5:30 p.m., we will discuss the implementation plan for eSports. All parents and guardians are invited!

It was just recently announced that our spring musical will be Beauty and the Beast! I look forward to seeing it in March!

I hope you have a wonderful weekend!

Peter F. Schultz
Principal
