A MESSAGE FROM PRINCIPAL SCHULTZ...

Dear Parents and Guardians,

This past Saturday (4/13), we had our Junior Prom, which was a great success. I would like to thank our advisors, Mrs. Davis and Mrs. Whitman, for making this such a memorable event for our students. I am also grateful to our students for their great behavior and positive spirit.

In the last few weeks, our students have been recognized by our local Lions Club for their excellence in academics and community service. On Monday, March 25th, the Lions Club congratulated our scholars by grade level with a dinner and awards ceremony. Then, on Monday, April 15th, students were recognized for their community service hours by the Lions Club with a dinner and awards ceremony. There were two groups of students celebrated: those with 50 plus service hours in the last year and those with 100 plus service hours in the last year. We had one student with more than 850 hours of service! These students are such an outstanding example in our building and our community. I thank the Lions Club for recognizing our students and being such a strong partner with our school.

Mr. Button and a large number of his band students visited WCNY in Syracuse on Tuesday (4/16) to do a recording of the students playing. It was a great experience for our students, and I again congratulate Mr. Button for being awarded the WCNY Music Educator for the Month of March!

Spring sports have started, and even though our weather has been challenging at times, it is great to see our student-athletes out there competing. I hope you have a wonderful break!
