## A MESSAGE FROM PRINCIPAL SCHULTZ...

Dear Parents & Guardians,

What an outstanding start to the school year! It has been great to have our students back from the summer and moving forward in their classes, after-school clubs, and athletics. I would like all students to be engaged in our school. We will be having a Club Fair in the morning on October 5th for all 7-12 students to give them an opportunity to see what we offer and to encourage them to join.

I thank those of you who were able to attend our 7th and 9th-grade orientations last Wednesday (9/6). These are two pivotal years for our students and getting the school year started on a great note is important.

On Monday and Tuesday, we had class meetings with each grade to review the expectations of the school and to inspire them to have a great school year. Mr. Congden and Ms. Fox clearly outlined the expectations of the school year and our students' attention was outstanding. I challenged the students to look for opportunities to increase their kindness to one another and make sure their language is always of the highest quality. We are focused on building a culture of excellence and we are off to a powerful start.

I am looking forward to our homecoming week (9/25-9/30) with our parade, bonfire, Friday's football game, the girl's varsity soccer game on Saturday, and dance. The last week of September is going to be incredible for our faculty, staff, students, and community.

Sincerely,

**Peter F. Schultz, Principal**
